LINNEN & TOWELS:

To get clean sheets you must bring your used ones. ONLY ON SUNDAYS, between 19:30 and 21:30. This is the ONLY time you can get clean linnen and towels.

▲ NO hanging wet laundry in the rooms. It is all wooden floor and gets damaged (you will be fined 150 € if you get caught hanging wet laundry in your rooms) Laundry must always be hung OUTSIDE back entrance studios floor, not in the rooms!!! – in case of a rainy day, you can hang your stuff in the studios floor dressing rooms, there is plenty of room there and a tiles floor.

SHARING IS CARING – AND SAVES YOU A LOT OF MONEY

▲ Share washing machines with roommates; do not work a full washing machine for just a few items. Always wash full machines. (We are saving environment here!!!! Electricity and soap water) You may hang your wash to dry in the back yard.

▲ We suggest you share with your room mates shampoo, conditioner and food. Especially food bought in large quantities or perishables (fruit or vegetable) because they rot after three days. By sharing you save money.

▲ Share laundry powder/softener, Shampoo, Conditioners, Hair Gel etc, per room (buy one big box and one big softener and share the cost; you will be saving a lot of money this way! Same goes for hair products).
